泉康生物®

QUANKANG BIOTECHNOLOGY

泉康·中国复配食品科技引领者

QUANKANG · CHINA'S LEADER IN COMPOUND FOOD TECHNOLOGY

QUANKANG BIOTECHNOLOGY | 泉康生物

ABOUT US

关于泉康

泉康生物，2008 年成立于泉城济南，专注复配食品添加剂研发、生产与销售，是集技术创新与产业服务于一体的国家级高新技术企业、省级专精特新企业、市瞪羚企业。

公司立足复配食品应用科技前沿，为食品企业提供高品质产品与定制化技术解决方案。十余年来深耕健康、高端复配食品领域，专注主业、持续创新，现已成长为国内复配食品添加剂领域头部企业之一，以专业实力赋能食品产业高质量发展。

Quankang Bio, established in 2008 in Jinan, the Spring City, specializes in the R&D, production, and sales of compound food additives. As a national high-tech enterprise integrating technological innovation and industrial services, it is also recognized as a provincial-level specialized, refined, distinctive, and innovative enterprise and a municipal gazelle enterprise.

Positioned at the forefront of compound food application technology, the company delivers high-quality products and customized technical solutions to food enterprises. With over a decade of deep cultivation in the health-focused, premium compound food sector, it has remained dedicated to its core business while pursuing continuous innovation. Qiankang has now grown into one of China's leading enterprises in compound food additives, empowering the high-quality development of the food industry through its professional expertise.

QUALITY
品质泉康

品质是信仰
Quality is faith

现代化设备 Modern equipment

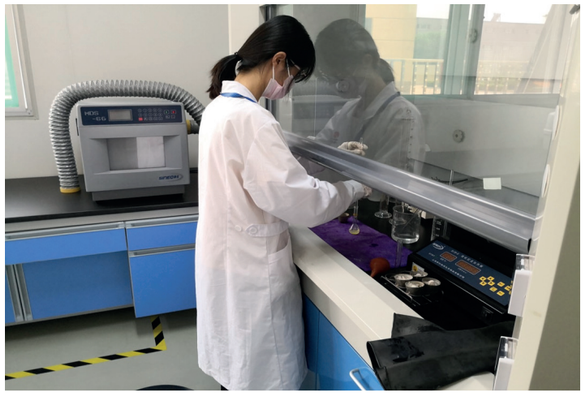
现代化的设备是品质的保障。十万级生产车间，从车间空间的设计布局的科学性，到每一台设备的精选，到后期的安装调试，我们都力求精益求精，因为这是泉康品质的基石。

Modern equipment is the guarantee of quality. In the Class 100,000 production workshop, we strive for excellence in every aspect—from the scientific design and layout of the workshop space to the selection of each piece of equipment, and finally to the installation and commissioning. This is because it forms the foundation of Quankang's quality.

闭环式质量管理体系 Closed loop quality management system

闭环式的管理体系成就泉康的卓越品质，我们对品质的追求贯彻到从产品到终端市场的全过程。在运营过程中，优选全球优质原料商，严格把控原料品质，实现了包装密封自动化，并优化物流运输供应链，实时监控产品状态。通过追溯系统，实现每袋产品的可追溯性，全方位保障产品品质，为客户提供更安全、更稳定的产品和服务。

With our commitment to excellence permeating every stage from product development to end-market distribution. We partner with globally recognized premium suppliers, implement rigorous quality control, and achieve automated packaging sealing. By optimizing logistics and supply chains with real-time product status monitoring, we guarantee traceability for each product unit through our tracking system. This comprehensive approach safeguards product integrity, delivering safer and more reliable products and services to our customers.



较真儿品控团队
The serious quality control team

“较真儿”的品控人员是品质的守护神。生产过程实施关键点控制，在线中控及成品检测。我们不做“合格品”，只做“放心品”。

The quality control personnel of “serious” serve as the guardians of quality. The production process implements critical point control, online central control, and finished product inspection. We do not produce “qualified products,” but only “reliable products.”

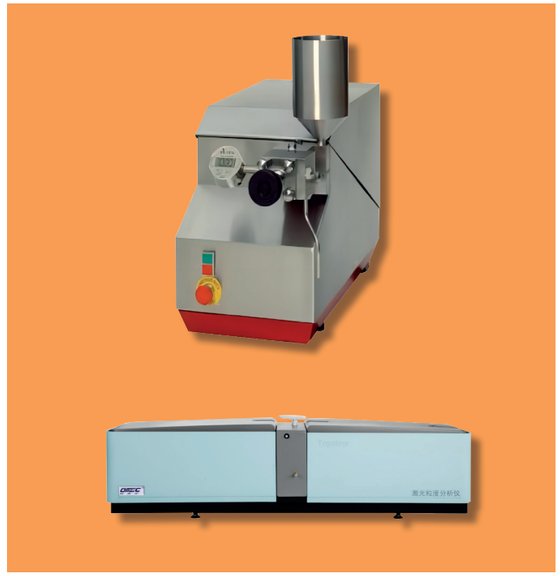
专利与荣誉成果
Patents and Honorary Achievements

先进精密的研发设备 Advanced R&D equipment for precision engineering

泉康全面引进了包括法国 Formulaction 稳定性分析仪、瑞典 Tetra Holyer FrigusTMsF 连续式冰淇淋凝冻机、UHT 超高温无菌灌装系统等国际高精尖设备。

Quan Kang has fully adopted cutting-edge international equipment, including the French Formulaction stability analyzer, the Swedish Tetra Holyer Frigus™ continuous ice cream freezing machine, and the UHT ultra-high temperature sterilized filling system.



PRODUCTS & SERVICES

产品与服务

STABILIZER FOR PLANT PROTEIN BEVERAGE

植物蛋白饮料系列稳定剂

适用范围：花生露、杏仁露、核桃露、豆奶、椰汁、谷物 + 粗粮、杂粮罐头等。

Scope of application: Peanut milk, almond milk, walnut milk, soy milk, coconut milk, grains + whole grains, mixed grain canned foods, etc.

STABILIZERS FOR NEUTRAL MODULATED MILK AND DAIRY BEVERAGE

中性调制乳及乳饮料系列稳定剂

适用范围：中性调制乳及乳饮料、咖啡等。

Scope of application: Neutral-modulated milk and dairy beverages, coffee, etc.

PRODUCTS & SERVICES

产品与服务

STABILIZER FOR ACIDIC MILK BEVERAGE

酸性乳饮料系列稳定剂

适用范围：配制型褐色饮料、发酵型褐色饮料、发酵型 AD 钙、配制型 AD 钙、配制型酸性乳饮料（白色）、发酵型酸性乳饮料（白色）等。

Scope of application: Prepackaged brown beverages, fermented brown beverages, fermented AD calcium, prepackaged AD calcium, pre-packaged acidic milk beverages (white), fermented acidic milk beverages (white), etc.

STABILIZER FOR FRUIT AND VEGETABLE JUICE

果蔬汁系列稳定剂

适用范围：各类单一型果蔬汁饮料、各类复合型果蔬汁饮料以及充气悬浮果粒果蔬汁饮料等。

Scope of application: Various single-type fruit and vegetable juice beverages, various compound-type fruit and vegetable juice beverages, as well as carbonated suspended fruit particle fruit and vegetable juice beverages.

PRODUCTS & SERVICES

产品与服务

STABILIZER FOR FLAVORED FERMENTED MILK

风味发酵乳系列稳定剂

适用范围：常温酸奶（一次配料、二次配料）、搅拌酸奶、凝固酸奶、慕斯酸奶、常温 / 低温饮用型酸奶等

Scope of application: Room-temperature yogurt (single-stage and double-stage), stirred yogurt, solidified yogurt, mousse yogurt, room-temperature/chilled drinkable yogurt, etc.

STABILIZER FOR REPROCESSED CHEESE SERIES

再制干酪系列稳定剂

适用范围：奶酪棒、吸吸奶酪、羊奶奶酪、慕斯奶酪等。

Scope of application: Cheese sticks, cheese sips, goat cheese, mousse cheese, etc.

PRODUCTS & SERVICES

产品与服务

STABILIZER FOR READY-TO-DRINK BEVERAGE

即饮用品系列稳定剂

适用范围：混脂奶基底、米厚乳、燕麦厚乳、轻乳、奶盖等。

Scope of application: Mixed-fat milk base, rice thick milk, oat thick milk, light milk, milk foam, etc.

STABILIZER FOR CREAM

稀奶油系列稳定剂

适用范围：植脂奶油、全乳脂奶油等。

Scope of application: Vegetable fat cream, whole milk fat cream, etc.

PRODUCTS & SERVICES

产品与服务

STABILIZER FOR JELLY PUDDING

果冻布丁系列稳定剂

适用范围：蒟蒻果冻、高透明果冻、多层果冻、吸吸冻、冰粉、中性布丁、酸性布丁等。

Scope of application: Konjac jelly, high-transparency jelly, multi-layer jelly, spongy jelly, ice cream powder, neutral pudding, acidic pudding, etc.

STABILIZER FOR ICE PRODUCT

冷饮系列稳定剂

适用范围：冰淇淋、雪糕、棒冰、雪泥、果冻冰、棒棒冰、冰淇淋奶浆等。

Scope of application: Ice cream, popsicles, pops, snow mud, jelly ice, popsicles, ice cream cream, etc.

PRODUCTS & SERVICES

产品与服务

STABILIZER FOR BAKING

焙烤系列稳定剂

适用范围：蛋挞液、可丝达酱等。

Scope of application: Egg tart filling, Kexida sauce, etc.

STABILIZER FOR RICE AND FLOUR PRODUCT

米面制品系列稳定剂

适用范围：麻薯类。

Scope of application: Sweet potatoes.

RESPONSIBILITY

爱心泉康

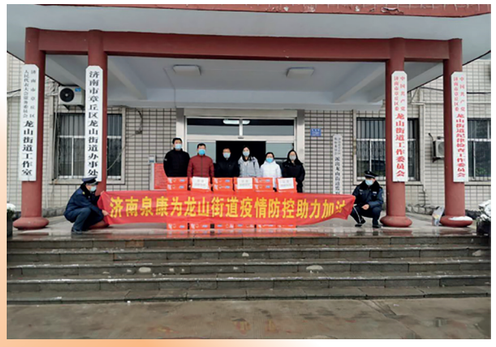
我们因爱相聚，也将爱传递。
We come together in love and pass it on.

疫情捐赠、捐资助学、慰问孤寡

Donations for epidemic relief, educational assistance, and support for the elderly and orphans

我们深知企业的成长离不开社会各界朋友的支持和帮助。公司自成立以来，一直心怀感恩，回报社会，积极参加各种公益活动。疫情之初，泉康第一时间做出响应，向灾区捐赠物资，助力疫情防控。同时响应国家乡村振兴的号召，捐助孤寡老人、失学儿童。

We always know that the growth of our enterprise is inseparable from the support and assistance of friends from all walks of life. Since its establishment, the company has always been grateful and committed to giving back to society, actively participating in various public welfare activities. At the onset of the pandemic, Quankang promptly responded by donating supplies to the affected areas to support epidemic prevention and control efforts. Meanwhile, in response to the national call for rural revitalization, donations were made to support elderly individuals living alone and children who have dropped out of school.



一家有温度的企业，才有未来
A warm enterprise has a future

马拉松公益、员工跑团

Marathon Charity Event, Employee Running Group

泉康响应全民健身的号召，将跑步作为泉康团建和业余生活的一部分，成立“泉康跑团”，积极鼓励员工参加跑团，并为跑团提供公益赞助。

Responding to the national fitness initiative, QuanKang has incorporated running into its team-building activities and employees' leisure time by establishing the “QuanKang Running Club.” The company actively encourages employees to join the club and provides charitable sponsorship to support its activities.

GLOBALIZATION
全球视野

立足中国，布局全球
Based in China, with a global layout

秉持合作共赢的理念，与国内众多知名食品企业，及欧美、东南亚地区二十余个国家的知名原料供应商、食品生产企业建立战略合作，形成了遍布全球的市场网络。

Guided by the principle of win-win cooperation, we have established strategic partnerships with numerous leading domestic food enterprises, as well as renowned raw material suppliers and food manufacturers from over twenty countries across Europe, America, and Southeast Asia, creating a global market network.

FUTURE
未来愿景

我们始终坚持以品质为信仰
致力于成为中国复配食品科技的引领者
以科技为引擎，以客户为中心
泉康将持续深耕健康食品产业
推动食品从“美味”走向“健康美味”

Quankang always adhere to quality as our belief
Dedicated to becoming the leader in China’s compound food technology
Technology as the engine, customer as the center
QuanKang will continue to focus on the health food industry
Promote food from “delicious” to “healthy and delicious”
